

The CROSS Mental Health and Disability Services region is pleased to offer

Provider Mental Health Training

11:00 a.m. - 1:00 p.m.
August 23 and 25, 2022
Live online training
CMEs available

a free, virtual
professional
development
opportunity
available to
employees of
organizations
within the CROSS
MHDS region

Participants in Provider will gain:

- + Increased compassion for the vulnerabilities people face when seeking care or services
- + Insight into the emotional stages of people affected by mental illness as they navigate recovery
- + Fresh understanding of and empathy for their patients'/clients' lived experience, especially during treatment
- + Understanding of the importance of collaboration among clients, families, and providers to achieve the best level of recovery possible

A powerful and potent education

for the uninitiated and the very experienced, by those who have first-hand experience and knowledge and personal journeys, you will come away with much you didn't understand before.
